The Laughing Bear and Other Stories
Robert Bloomer Hare Bell

A collection of unique stories for listeners with the wisdom to see a bit beyond the printed words. The stories start in Korea with The Laughing Bear (or MOUWOU The Deliverer, as he is also called in Korea) and move through the world of a not nice girl and the visits she receives from the Gray Witch, to the hilarious adventures in the barn yard and we even dip under the world for a few to see what is happening in middle earth. All are interesting and may well surprise you in their uniqueness. - Summary by Phil Chenevert
